QUESTION: I can only do 11 hours max because I am an international student, how can I know if a learning community will fit in my possible hours? 
ANSWER: All of our Learning Communities are under 11 hours right now, so you’re good to look at them!

QUESTION: What other classes should I take besides my needed learning community classes in my first semester? 
ANSWER: General Education is a great (and needed!) filler! Things like ENGL 1101 or a POLS 1101 (or HIST, etc). You can find your options on DegreeWorks under Areas A-E.

QUESTION: So I cannot register for a learning community until my time ticket is available? 
ANSWER: Correct. You cannot register for anything until your time ticket opens.

QUESTION: I think I need to take a class over the summer since I'm double majoring, so how do I know if the class I need is offered over the summer? When can I register for that class? 
ANSWER: There’s no real science to what’s available in Summer until we get closer to the time when you register around Feb/March, but a good way to get a general idea is to look at the previous Summer through “Class Schedule Search” on the Registration tab of Owl Express.

QUESTION: is it okay to use degree works to build my schedule as a transfer student or is it recommended to wait for my advisor? 
ANSWER: DegreeWorks is a resource for you to look at, as well! But, we do suggest at least checking in with your advisor to make sure your plan does truly align with good degree progression!

QUESTION: Is it still possible to CLEP out of some general major classes (like English 1101 and some History classes) and would you guys recommend that? 
ANSWER: Yes, CLEP is an option! And, if you have a lot of classes left, is definitely a way to go! More info on CLEP can be found on the Testing website- https://testing.kennesaw.edu/

QUESTION: I am in thrive lc but I am a biology major and they didn't have those classes signed up for us. Would you advise me to take biology next semester? 
ANSWER: Thrive LC is the priority for the Fall! I’d suggest emailing your advisor so you know exact courses to register for outside of the LC.

QUESTION: What do credit hours mean? is that how many times people meet? or classes? 
ANSWER: Credit hours somewhat go along with “face to face” contact hours. But, it doesn’t mean you’re not doing more work. A typical class is usually 3 credit hours and a lab is usually 1 credit hour. And, each credit hour typically equals to about 3 hours of work that you’ll do a week outside of class. In college, your professor will guide your learning, but there’s a lot of heavy lifting that you’ll do as well!

QUESTION: If I am only getting 13 hours per semester do I need to take summer classes? 
ANSWER: Not necessarily. 13 hours is fine for the first semester and you can definitely scale up and take more in the future Fall/Spring semesters. But, a Summer class or two doesn’t have to look like a Fall/Spring. Maybe you’re just taking one online general education class and that’ll feel very different than a Fall/Spring schedule.

QUESTION: where do I find the CRN numbers? Is that on class schedule search on owl express? 
ANSWER: Correct! With Class Schedule Search, once you search for a class, you’ll see CRNs on the left.
QUESTION: are you required to register for AMP learning communities if you are part of the program?  
ANSWER: It is the best way to get to know other AMP students and to get to know more about the program. But, it’s not an absolute requirement.

QUESTION: If I’m eligible for the Zell scholarship but my ACT scores haven’t gone to my Ga Futures account so its not showing, how do I get them to show up on my account?  
ANSWER: Unfortunately, academic advisors can’t see Financial Aid info for students. Reach out to your Financial Aid counselor to make sure everything’s okay! - https://financialaid.kennesaw.edu/contact-counselor.php

QUESTION: Can we register for classes at anytime or just today?  
ANSWER: Anytime after 12:30pm today while registration is open! (You’ll have until Drop/Add which happens in August)

QUESTION: Do I need to speak to my advisor before I register for my classes?  
ANSWER: You don’t have to if you feel like you’ve got a good grasp on what’s going on from the session today! But, we’re here to support you, if you need it!

QUESTION: What if you completed AP classes or college level classes, how do you get credit?  
ANSWER: Send your CollegeBoard AP scores or college transcripts directly to KSU and they will add them to your KSU account.

QUESTION: could you please list off the suggested bio-chemistry classes? I was trying to write them down and didn’t get to see all of them  
ANSWER: BIOL 1107 and 1107L and CHEM 1211 and 1211L are the initial courses in each of the disciplines

QUESTION: How do you make advising appointments?  
ANSWER: Check our website for instructions! https://csm.kennesaw.edu/advising/index.php

QUESTION: Is there a way to get recommended classes  
ANSWER: Email your advisor and they can give you a DegreeWorks planner!

QUESTION: Can you tell me the difference between chemistry and biology?  
ANSWER: As sciences, Chemistry is a quantitative/physical science while Biology is a life science. As far as majors are concerned, they start off in similar places, so you can use the initial courses to help you decide!

QUESTION: What is the minimum ap score needed to receive ap credit for chemistry?  
ANSWER: Scores can be found here- https://transfer.kennesaw.edu/credit-exam/index.php

QUESTION: Where can we find the email addresses for advisors?  
ANSWER: Here!- https://csm.kennesaw.edu/advising/index.php

QUESTION: If you have any holds, can you still register for classes today?  
ANSWER: Make sure to check “View Academic Holds” on the Registration tab of Owl Express. If it’s there, then you’ll want to email ksuorietation@kennesaw.edu today. After today, you’ll want to take care of the hold, depending on what kind it is.
QUESTION: If you are minoring in Spanish and majoring in biology, what are all the classes you would take?
ANSWER: Your starting place in Spanish depends on your proficiency. Reach out to an advisor for more specific information!

QUESTION: Were we supposed to be recommended for a learning community by our advisor
ANSWER: Depends on what classes we are prioritizing for your or what credits you might have completed. Reach out again, if you’d like follow up!

QUESTION: If I have been in contact with my advisor but I have not set up anything in my planner in degreeworks but I have been given a recommendation for classes and an LC, how do I know what classes to add outside of my LC
ANSWER: Feel free to reach out again, but you’ll typically look at DegreeWorks for General education options like ENGL or HIST!

QUESTION: Hey If am an AMP student do I have to take the math course in the lc or I can do so outside
ANSWER: There are MATH AMP sections that you can sign up for outside of the LCs that don’t conflict with them. We encourage taking them. But, you don’t have to.

QUESTION: if I don't have one how do I go about setting up a planner
ANSWER: Email your advisor and they can help!

QUESTION: Does it matter if I take biology 1107 L or regular biology 1107?
ANSWER: BIOL 1107 is the lecture portion and BIOL 1107L Lab is the lab portion. You’ll typically need both in our majors.
