

2011

SCIENCETALK

a seminar series

September 1, 2011

First Steps: Arctic Paleontology and the Search for Fish with Fingers

Dr. Marcus C. Davis

Department of Biology and Physics

September 8, 2011

Which Monkeys Are Smartest? Assessing Primate Intelligence Using Binomial and Rank Responses

Dr. Brad Barney

Department of Mathematics and Statistics

September 15, 2011

Chimpanzee Communicative Signaling Points to a Multimodal Origin of Human Language

Dr. Jared Taglialatela

Department of Biology and Physics

September 22, 2011

Pulling Proteins Apart on a Computer: How and Why

Dr. Rigoberto Hernandez - GA Institute of Technology

Department of Chemistry and Biochemistry

September 29, 2011

Dynamic Computational Models, State Equations, and Inter-Disciplinary Computing

Dr. Jose M. Garrido

Department of Computer Science

October 6, 2011

Green Design Good; Green Mold Bad - Aspects of Design, Preservation, and Sanitization for Improved Indoor Environments

Dr. Daniel L. Price - Director of Microbiology, InterfaceFLOR

Department of Biology and Physics

October 13, 2011

All for Algebra and Algebra for All: A Literature Review to Inform Research and Policy

Dr. Amy Hillen

Department of Mathematics and Statistics

October 20, 2011

Geobiology and Biodegradation of BP/Deepwater Horizon Crude Oil: South Louisiana Marshes One Year Later

Dr. Dan Deocampo - Department of Geosciences, GA State University

Department of Chemistry and Biochemistry

October 27, 2011

Developing and Reusing Software with Grid Middleware

Dr. Dick Gayler

Department of Computer Science

November 3, 2011

Automatically Generating Biomedical Hypotheses from MedLin

Dr. Ying Xie

Department of Computer Science

November 10, 2011

Chromatic Completability: Using the Marriage Theorem to Color Graphs

Dr. Erik Westlund

Department of Mathematics and Statistics

November 17, 2011

Vinylidene Production in the Dissociation of Allyl Radicals: Experimental and Trajectory Studies

Dr. Paul Houston - Dean of College of Sciences, GA Institute of Technology

Department of Chemistry and Biochemistry

Seminar Kick-Off: Sept. 1, 2011

Every Thursday
3:30 - 4:45 pm
Kennesaw State University
Clendenin Building #1008

College of Science and Mathematics
